

PowerSchool Parent - Creating New Login Information

Updated July 28th, 2016

As of July 2016, parents wanting to use PowerSchool to keep track of their child's grades and attendance need to create a new account within the system. The old way of logging in is no longer used.

Once you follow the below directions and create a new login, you will have access to all your children (if you have more than one in Bloomfield Schools) in one central login and location. The upgrade screens are easy to use and user friendly.

Creating New Parent Account

1. Go to www.bsin.k12.nm.us
2. On left menu, click on PowerSchool link
3. Click on PowerSchool Parents link
4. Student and Parent Sign In webpage appears
5. If you haven't done so already, click the Create Account tab
6. Click Create Account button
7. Fill out all required information for:
 - a. Parent Account Details
 - b. Link Students to Account
 - i. Access ID is their Lunch #
 - ii. Access Password is their birthdate (use MMDDYYYY format)
8. If you have more than one child, you can enter them all here
9. Click Enter
10. You can now use your new login
