

Student Reunification

In the event of an emergency, where it is necessary to evacuate the students from the school grounds, you will be advised of the process by which the Bloomfield School District will reunify the parent or guardian with their child. Knowing what to do and how to follow proper reunification procedures greatly assists the schools in protecting our students and helping to ensure a quick and successful process of returning them to you. The attached link is a short video, produced by Adams County Colorado; on things we can do as parents to help facilitate this process in a safe and successful manner. If you have any questions you may contact the **Bloomfield School District Safety Coordinator, Cliff Washburn, at (505) 632-4341**
